Submission Guidelines

Regular papers. Papers of no more than ten pages (in ten point, two-column in ACM format) presenting original research that is unpublished and not submitted elsewhere can be submitted electronically in PDF format through the conference web site. Submitted papers will be reviewed by the program committee, and authors will be invited to submit brief rebuttals of the reviews before the final acceptances are made.

Tool presentations. Papers of no more than four pages (in ten point, two-column ACM format) describing the implemented tool and its novel features. A demonstration and/or poster is expected to accompany a tool presentation at the larger CPSWEEK demo session.

The proceedings of accepted papers will be published by ACM.
